- A. vs. 6 These words simply repeat what was stated in the prologue (Rev. 1:1-2)
- B. vs. 7 Jesus' messenger who is speaking, quotes Jesus' message: *'Look! I am coming suddenly! Blessed is the one heeding the words of the prophecy of this book.'*
- C. vss. 8-9 Jesus' messenger refuses John's worship (compare Rev. 1:17)
- D. vss. 10-11 Revelation is not to be sealed as was Daniel (Dan. 8:26 & Dan. 9:24)
- E. vs. 12 Jesus applies prophecies concerning the LORD to Himself (Isa. 40:10 & 62:11).
- F. vs.13 Jesus applies God's titles (Rev. 1:8; 21:5-6) to Himself as He also did in Rev. 1:11. This is also what the Messenger of YHVH repeatedly did in the OT.
- G. vss. 14-15 Those who wash their robes have right to the Tree of Life, but sinners are rejected.
- H. vs. 16 Jesus personally sent this messenger (the 7th messenger of the bowls) to John.
- I. vs. 16b
 - 1. **"I am the Root and the Descendant of David,"**
 - a. Isa. 11:1 (branch, descendant)
 - b. Isa. 11:10 (root)
 - c. The answer to Jesus' riddle in Matt. 22:41-46
 - 2. **"the bright and morning star."** (2 Pet. 1:19 *"And we have the prophetic word verified, to which you do well in heeding (like a lamp appearing in a dark place until the Day dawns and the morning star arises), The "morning star" arises on the Day of the Lord.*
 - a. The *"sign of the Son of Man in the sky"* (Matt. 24:30)
 - b. On 10/02/2036, which is Tishri 10, Yom Kippur, the Day of Atonement (the Day on which the Jubilee trumpet is to be blown every 50th year {Lev. 25:9-10}), the morning star (Venus {Jesus}) will be crowned by the brightest star (Regulus {King}) in the constellation Leo (the Lion of Judah). As viewed from Jerusalem, the "Day Star" will "arise" above the eastern horizon as 2:33am local time (00:33 GMT). Regulus will rise just behind Venus at 2:34am local time (00:34 GMT). The "Day dawns" (sunrise) is at 5:37am local time (03:37 GMT). Three hours later, at 8:37am Venus will pass just below Regulus so that they appear to completely merge to the naked eye. With 7x magnification, Regulus will appear to crown Venus. This phenomenon very well may be *"the sign of the Son of Man"* mentioned by Jesus. This "crowning," will only be visible in Jerusalem if the sun is darkened according to Jesus' statement in Matt. 24:29-31. (See image @ following link)
